华东理工大学和郑州大学教授、长江学者特聘教授、上海"千人计划"专家、河南省中原学者。炼焦煤资源绿色开发全国重点实验室副主任、教育部先进功能材料制造工程中心主任、中国工程科技战略河南研究院副院长。

- 黄耀棠 (Kenneth Ng)
- Global Sustainability Lead of Razer

Kenneth is a seasoned sustainability professional with over a decade of experience in managing sustainability campaigns. He has worked with stakeholders from over 30 countries, incorporating profitable business strategies with sustainable solutions and investments. His scope of work includes setting up green financing frameworks, ESG reporting standards & criteria, decarbonization of business operations across different regions. His recent stint with a French multinational energy company involved him with the mapping and execution of a roadmap, leading to more than 75%

reduction of its emissions before 2030. Now his story comes a full circle with him going back to his hometown, Singapore; also Razer's SEA HQ, to champion the Razer's industry-leading, ambitious decarbonization strategy and science-based targets.
